About Me

Results-driven professional with expertise in Integrated Electronics and Fullstack Development. I excel in developing innovative hardware and software solutions that bridge the gap between hardware and AI-driven applications. I am committed to pushing the boundaries of technology and delivering impactful solutions across diverse industries.

Soft Skills

- Problem Solving
- Creativity
- Creativity
- Teamwork
- Communication

Technical Skills

- Python & Django, Bootstrap
- DBMS & MySQL, GITHUB
- HTML, CSS, JavaScript, SASS
- API & REST Framework
- VLSI, FPGA & VHDL
- Data Analysis
- Amazon Web Services
- Machine Learning, GPT3 Development
- 3D Design and Simulation Software

Work Experience

2023

3 months

Junior Researcher | I-PAC

- Developed research plans, objectives, and timelines for projects.
- Presented experimental findings in presentations with graphs, charts and other visual aids.
- Web Form Developer.
- Applying statistical and data analysis techniques to identify patterns, trends, correlations, and anomalies within the data.

2020-2022

2+ years

Engineering Educator | Self-Employed

- Provided individualized instruction to undergraduate and graduate students in order to improve their understanding of engineering concepts.
- Supervised student research projects related to different areas of engineering.
- Participate in community outreach and educational programs related to electrical engineering.

Education

2017-2019

2 years

Master of Technology

SRM Institute of Science & Technology
Power Electronics & Drives

2013-2017

4 years

Bachelor of Technology

Greater Kolkata College of Engineering & Management
Electrical Engineering

2011-2013

2 years

Higher Secondary Education

Harinavi D.V.A.S High School
Science

PROFESSIONAL DEVELOPMENT

2023

2+ months

Online certification course in AI

IIT Kharagpur AI4ICPS

2023

6+ months

Python Fullstack Development

Croma Campus Training & Development (P) Ltd.

2022

6+ months

online Python Bootcamp certification course

UDEMY

2019

3+ months

Vocational Training

National Institute of Electronics & Information Technology, AUTOCAD

Certifications

International Capsule Workshop on
Astrobiology by NASCA, VLSI Certification,
Solar Vehicle Design

Hobbies

Documentary Making, Solo Travelling,
Rubik's Cube Solving, Guitar Playing,
Painting, Reading Books
